

Homeschool Attendance Tracker

A simple printable tracker for school days, hours, and notes. Adapt it to your state's actual recordkeeping rule.

Student + school year

Field	Write it here
Student	
State	
School year	
Required days/hours, if any	

Monthly tracker

Month	School days completed	Hours, if tracked	Notes / holidays / field trips
July			
August			
September			
October			
November			
December			
January			
February			
March			
April			
May			
June			

Recordkeeping tip

Keep this with your notice paperwork, curriculum list, work samples, and any testing/evaluation records. Even low-regulation states are easier to navigate with a simple paper trail.
